AUTISM PARTNERSHIP KOREA | AP코리아

2026-2027 SERVICE FEE

1:1 ABA THERAPY

APM (Autism Partnership Method) is a specialized ABA approach that combines research and hands-on experience to provide high-quality, personalized support for children with autism. Each program is carefully tailored to meet your child's unique strengths and needs.

Center-based Program

Our center-based 1:1 intensive ABA program offers personalized support designed around your child's unique developmental stage and individual needs. Each program is carefully planned and delivered with ongoing clinical oversight and guidance from experienced AP consultants, ensuring your child receives consistent and high-quality care.

Clinical Oversight & Case Management by AP Site Director and Supervisor

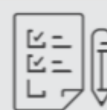

1:1 Intensive Intervention

Monthly Clinical Meetings
(Case Review & Parent Observation Sessions)

Parent Participation & Training to Support Skill Generalization

Minimum 16+ Hours of High-Quality Clinical Supervision

	09:00 ~ 12:00	KRW 23,000,000
	13:00 ~ 16:00	

* Minimum 2-month enrollment required for new registrations. No sessions on public holidays, including Labor Day.

Jump Start

This is a 5-day, center-based intensive APM program designed to help your child make meaningful progress in a short period of time. Our AP consultants carefully identify your child's key learning areas, take an in-depth look at how your child learns, and provide focused, hands-on support tailored to your child's needs.

5-Day Intensive Program (Mon-Fri)	Items	Time (Mon-Fri)	Fee (per week)
	Morning	09:00 ~ 12:00	KRW 16,000,000
	Afternoon	13:00 ~ 15:30	
	Parent Meeting	15:30 ~ 16:00
